# Winter Preparedness Checklist

-  **Change your furnace filter**  
Don't make your furnace work so hard. Check your filter monthly and reduce energy consumption by up to 15%!
-  **Snowbirds**  
Staying down south for the winter? Email [billing@mvec.net](mailto:billing@mvec.net), and we'll put a note on your account, so we are aware your lower consumption is because you are away.
-  **Learn about payment assistance.** Worried about winter bills? Call and we will help set up a personalized plan to keep your home warm and your account up to date. [www.mvec.net/financial\\_assistance/](http://www.mvec.net/financial_assistance/)
-  **Bookmark [MVEC.net](http://MVEC.net)**  
Our handy website is available 24/7 for outage information, account access, programs, rebates, and more energy-saving tips.
